Dear Families,

It is very important that we have up to date consent forms for your children to begin school for the 2017/2018 school year.

*In addition to these forms we also require **updated physical and dental exam forms each year**. You can opt out of dental but we must receive a letter or email stating that you understand Milestones policy in regard to obtaining dental information but you have opted out of this requirement.*

You can send the forms in your child's backpack or return them by mail, if you do send them with your child please email your case manager to be sure that we can obtain them from your child.

Thanking you in advance for your cooperation,

The Milestones Team!

I give my permission for Milestones, Inc. or a subcontracted transportation company to transport my child to and from activities, internships, trip, etc. I understand that if Milestones, Inc. uses their own vehicles, the only people permitted to drive are staff who have had a driver's license check. On buses, children do not use car seats/booster seats. I understand that field trips are a privilege, not a right, and that field trip privileges may be revoked at any time. I also understand that students who exhibit unsafe behavior 24 hours prior to a field trip may not be permitted to attend that particular field trip. In the event of an emergency, Milestones may transport my child by ambulance.

If you would like your family's information listed in the family directory, please initial above.
