Back to School Night 2021 - 2022 September 30th, 2021 (Virtual)

Welcome Families to the 2021 - 2022 school year! We welcome you all to join us for our annual Back to School Night to meet the staff working with your students this year. We will hold this event virtually, with links and more information coming to you in the weekly emails sent by your student's Case Manager Friday 9/24. Back to School Night allows staff the opportunity to share and explain topics that will be covered academically and therapeutically over the course of the current school year.

Please feel free to join Lyn Ross (Milestones School Nurse) and Heidi Warren (Project Coordinator) for an optional meeting that will help to support families with information and resources regarding the COVID-19 Vaccine.
