### **PAG Leadership: Volunteer Opportunities!**

- **What is the PAG?:** Milestones collaborates with a Parent Advisory Group (PAG), which is open to all interested parents/guardians of current Milestones students. PAG meetings take place virtually 4 times per year and reflect a strong collaboration between members of Milestones' leadership team and families.
  
- **PAG Leadership:** Milestones is fortunate to have one parent/guardian PAG Leader (*Denise Ryan*) who will be continuing in her volunteer leadership position for the 2025-2026 school year. We are currently seeking one or more additional parent/guardian volunteers to extend their impact by serving in a volunteer capacity for the 2025-2026 school year (*with the option to continue*). Volunteering can include any of these areas:
  - PAG Co-Leader
  - Fundraising Volunteer
  - Social Planning Volunteer
  
- **Volunteer time for PAG Leaders/Co-Leaders includes:** Attending 4 PAG meetings per year, approximately 1 hour of pre/post meeting planning each quarter, and several hours annually for coordinating initiatives and activities.
  
- **Volunteer time for Fundraising and Social Planning includes:** Flexible schedule to help coordinate fundraising and/or social activities throughout the year.
  
- **Contact:** If you are potentially interested in serving in a volunteer capacity, please contact: (Kim Rockers - CEO) at: [krockers@advancingmilestones.com](mailto:krockers@advancingmilestones.com) or 781-895-3200 ext. 121 by October 24th to express your interest or learn more information about these roles. Kim serves as Milestones' designated PAG liaison and partners with Heidi Warren (*Milestones Project Coordinator*) and Denise Ryan (*PAG Leader*) for PAG planning and collaboration. Thank you to all Milestones families for your ongoing support!
